UNITWIST

PRODUCT CATALOGUE 2024

UNITWIST

SUPERIOR HOT & COLD
PLUMBING FITTINGS

AVAILABLE IN 15MM & 22MM

IN WALL, OUTDOOR & UNDERGROUND

HIGH PRESSURE SYSTEM

LOW THEFT RISK

HOT & COLD WATER

STRONG & DURABLE MATERIAL

CAN BE HAND TIGHTEND

QUICK & EASY TO USE

HOW IT WORKS

O-RING

When the o-ring is pushed down by the power spacer, it's forced to compress inwards against the pipe. Sealing all imperfections therefore making the perfect seal every time.

GRIP RING

When tightening the nut, the grip ring is forced in a downward direction. This action drives the power spacer onto the o-ring.

25 YEAR GUARANTEE

SUPPORT SOUTH AFRICANS • MADE IN SOUTH AFRICA

JASWIC ACCREDITED • JASWIC

UNITWIST is a Hot and Cold high-pressure system. Compatible with copper, Polycop and Pex. It is completely reusable and requires absolutely no tools.
